

Fox Township rec board meeting minutes Tuesday July 11, 2022

Members Present: Rob, Roxanne, Ken, Tom, Terry, Rhonda

Visitors: Matt Penn, Russ Yeager, Martin Ott, Jason Forester all little league

Most of the meeting was taken up by little league asking if they can install a batting cage at the park. Not a new topic but a plan moving forward and they wanted to put up a nice cage that would fit into the theme of the park and they would cover the cost of the cage. Board members felt this was a reasonable proposal and approved LL moving forward with it

No park directors were at the meeting so after some brief discussion on trail and park maintenance the meeting was adjourned
