**Octobers meeting dealt with setting up several
committees to come up with ideas for making the park
better as we go and for getting all the board members
involved**

**As a result 3 committees were set up with Tom and
Terry looking into field maintenance and how to keep them
up for the future**

**Roxanne, Rhonda and Lori were going to see about
coming up with ways to go forward with the concession
stand and little leagues use of it**

**Rob and Ken were going to focus on trail development
and maintenance**

**These boards can get together at their convenance and
report anything at the boards next monthly meeting.**

**As there was no other business the meeting was
adjourned**
